“I have been using the services of IQOTC and their superb staff for several years. They are extremely knowledgeable and professional and my clients are always amazed by the wonderful trips IQOTC puts together for them. IQOTC has the experience and expertise to help make your agency a 'big hit' with even the most discerning clients.”

“I cannot remember my first booking with IQOTC. It was a long time ago. I have used them for groups to England, golf trips, and numerous FIT's from Croatia to Ireland. In every case there was something special the client wanted to rave about when they returned. In only two cases were there complaints. And in both cases, the client was at fault! And IQOTC immediately sorted out the issue.”

~Nancy Bogue, Avant Travel, Lexington, KY~

“I have used IQOTC twice now for family group travel to Ireland. They did a fantastic job in coordinating hotels that accommodated 18 people (many children) and designed wonderful itineraries that included great surprises and experiences that they are still talking about. Their driver/guides in Ireland are so wonderful that when this same family went back this year they requested the same person!! Handling big family groups can be difficult but they did it with expertise and wonderful in-country knowledge. I also used IQOTC recently for a Croatia trip and they did a great job for 2 people travelling. And as a side note - their fam trips for agents are fantastic - lots of little surprises and treats along the way.”

~Julie Tourville, The Travel Agent, Carmel, IN~

"I am so grateful that I had the opportunity to travel with IQOTC to Croatia this past March. It enabled me to witness first hand the attention to detail and the dedication to presenting to the traveler an outstandingly well organized tour. Brian Mundy was an amazing group leader. His knowledge of the sights that we saw was unparalleled in all my years of agent fam trips. Once I returned to the office I requested an itinerary and pricing on a group trip to Southern England. Brian had the information to me in record time. I can not speak highly enough of Brian and IQOTC. I will most definitely use this company for all future European travel."

~Gigi Phillips, Aladdin Travel Service & Meeting Planners, Winston-Salem, NC~

"King Travelways has used IQOTC for so many group tours - not just our classiest, up-market, but for whatever the budget needs might be. Always reliable, not only with hotel properties, but with advice in planning the itineraries and finding the best guides and tour managers. The staff is helpful and knowledgeable - so great in this day and age of working with intelligent people who have BEEN THERE!"

~Jean J. King, King Travelways, Meriden, CT.~

"I have been in the travel industry for thirty years and have worked with many suppliers during that period. Extensive contact with various companies has given me an instinctive feel of who fits my niche of travel expertise. As a high-end leisure travel consultant, I am very particular as to who I call upon to meet my clients' travel expectations. I have worked with Brian Mundy and his team at "In Quest of the Classics" for many years, and have the utmost confidence in their ability to deliver a superior product and put together a seamless trip for my clients. “I am an owner of a small agency in Denver. We have an upscale clientele that is interested in personalized service and deluxe accommodations. Luckily, a sales rep gave me a brochure about this small company that could serve my needs. I am forever indebted to her for introducing me to In Quest of the Classics. I have never been disappointed in their itineraries or the agents who are simply the best and most knowledgeable in the industry.”

~Althea Patt, Doral Travel Inc., Greenwood Village, CO~

“IQOTC has filled a void for me that I had for years when it came to FIT customers. Yes, I could work with the usual large and well known luxury tour operators with their small FIT departments with big prices. But it was not until an associate of mine recommended IQOTC, that I finally had a supplier who had the expertise, background, great pricing and a great staff -- all in one package.”
